RUBEN VAN SCHALM (The Netherlands, 1988)

Ruben van Schalm is a contemporary Dutch photographer known for his aesthetic of the male nude. He usually works in series wher he often focuses on the pristine beauty of man, but also on the fragility of nature that surrounds them. Born in Rotterdam, the Netherlands, van Schalm started working as a model and actor in 2008 for renowned Dutch photographer Erwin Olaf. He developed a love for photography and started to create his own vision in photography a few years ago.

Ruben works and lives in Israël.
